A Chairde, dear friends,

It is a tremendous pleasure to extend the warmest of Irish welcomes to all those gathered in National Harbor, Maryland, for the 2025 North American Irish Dance Championships and Conference. *Céad míle fáilte romhaibh go léir.*

This event is a moment of great Irish celebration. A powerful expression of our living culture, our diaspora, and of the deep pride we take in our Irish heritage. It is nothing short of inspiring that nearly 5,000 dancers from across the United States and beyond, have come together to showcase dedication, discipline, and dazzling talent on the world-class stage.

Irish dancing is so much more than an art form, it is a heartbeat of our culture. Its rhythms, the steps, and movements carry stories passed down through generations, connecting us across time and distance. For me personally, Irish dancing has always held a special place in my heart. I was a passionate Irish dancer throughout my youth. It was formative for me. I continue to love Irish dance in all its forms. It reflects our creativity, our resilience, and our joy. To see it so vibrantly alive here in the United States is a source of immense pride for all of us.

Allow me to express particular thanks to the organisers and the 2025 NAIDC committee whose tireless efforts have made this extraordinary gathering possible. Your passion has created a platform for thousands of young dancers to shine. Sincere thanks as well to the adjudicators, assessors, and musicians—without whom none of this magic could take place.

To all the dancers, families, and supporters: may these few days be filled with camaraderie, celebration, and the kind of memories that last a lifetime. You are all part of the living story of Ireland. I look forward to visiting the event and seeing and meeting some amazing dancers.

- A dancer that has collected their number but misses their rotation will not be allowed to dance that round.

Rotations

- Dancers must follow the rotation as provided and notify the Stage Manager of any potential conflicts or emergencies BEFORE the dancer's rotation occurs.
- In the case of a medical emergency, dancers will be allowed to dance at the discretion of the Stage Manager and chairs of the event at a later time in the competition.

 - Any dancer who does not complete the third round of a competition will automatically receive ZERO marks for that round and will only be eligible to feature in the award ceremony as a recalled dancer. Any points allotted to that dancer from the first two rounds shall remain with that dancer. [IDTANA/2017]
 - Where an assessor deems that a dancer failed to complete their performance in any given round, that dancer must receive ZERO marks by each assessor in that round. [IDTANA/2009]

- ALL scores will be verified and signed off on by each assessor before any ranks are determined for each round.

- The third (set) round will be calculated like round 1 and 2 (dropping high and low Irish points).
- Each dancer's Irish points from all three rounds will be added together, then dancers will be ranked to determine the winner.
 - In each round, a dancer will accumulate a maximum of 300 Irish points.

- For team competitions with five (5) or fewer teams, all participants will be awarded. For competitions of six (6) or more teams, 50% of the teams will be awarded.
- In all cases, the number of awards will be determined by the actual number of participants (not the number registered), and calculations will be rounded-up. All dancers (solo and team) must be in full costume to receive awards on stage, and all dancers are responsible for their awards following the presentation. The NAIDC 2025 Committee will not replace any lost or damaged awards.
- First-place winners in Solo Championships (including Adult) will receive a perpetual award, which requires the signing of a release form by a Parent/Guardian (or Dancer, if aged 18 or older). It is not mandatory to sign the form; however, if the form is not signed, the award will not be issued.

Qualifiers for Worlds 2026

- Qualifiers will be assessed and announced based on the actual number of North American resident dancers that participate (not the number registered), applying the current CLRG formulas.
- Presently, there is no replacement opportunity to attend Oireachtas Rince na Cruinne when a qualified dancer from the North American Irish Dance Championships & Conference cannot attend due to judging conflicts.
- Competitors in the U8 and U9 Solo Championships, Adult Championship, and Advanced Adult Championship do not qualify for the World Championships.

Costuming, Carriage Aids & Makeup

- Current CLRG directives will be applied and enforced. Please refer to the CLRG Rule Book and website for the most current rules. (www.clrg.ie)
- Current CLRG directives will be applied and enforced, which, at the time of publication, includes a ban on using any non- medically prescribed devices.
- Current CLRG directions will be applied and enforced, which, at the time of publication, includes a ban on makeup, false lashes, and/or facial tanner for dancers in solo and team events in the U8 / U9 / U10 categories. [CLRG/2014]

Mishaps

- Assessors will be instructed to ring a bell to stop the performance when the health and/or safety of a dancer (in solo or team events) is at risk, due to collision with another dancer, injury, or falling, and assessors will be instructed to use their best judgment in the case of open laces, shoes falling off, or issues with costumes/accessories. Should a dancer lose a heel or an entire shoe, they may stand at the back to allow the other dancer(s) to complete their performance, and they will be permitted to re-dance without penalty when deemed practical by the Stage Manager.
- Should, at the opinion of the Stage Manager, the NAIDC 2025 Committee, a medical professional, and/or the assessors, a dancer be deemed unfit to re-dance, and a dancer/parent insists on doing so, a waiver exonerating the IDTANA, the IDTANA- Mid-Atlantic Region, Inc., and the NAIDC 2025 Committee from any and all liability must be completed and signed by the legal parent and/or guardian of the dancer (if under the age of 18) before the dancer may re-dance. Any repeat incident which results in the dancer being unable to complete the required number of bars for that dance will result in the dancer having to withdraw from the event.
- If the judges ring the bell to stop a performance during the last eight (8) bars in Round 1 or Round 2 of a solo championship, the dancers will only be required to dance the last 16 bars of that dance. If the judges ring the bell to stop a performance during any part of an open solo set dance or traditional set dance, the dancer will perform the entire dance for their re-dance.
- Where feasible, the dancers will be brought back to re-dance no sooner than three rotations later, and no later than five rotations later. Dancers so affected by the bell being rung and permitted to re-dance will be marked at the discretion of each assessor.

Mischief

- Any person caught damaging property (whether private property or that of a hotel/venue or the hosting organization) will be requested to leave the premises immediately and will not be permitted to attend any remaining events at these Championships.
- All parties involved will be billed for damages.
- Parents/Guardians will be fully responsible for the whereabouts and the actions of their children.
- The IDTANA, the IDTANA-Mid-Atlantic Region, Inc., the NAIDC 2025 Committee, and its associates, or any hotel/venue owners will not be held responsible for personal injury, property damage, theft, loss, or any claim.

Side Stage Area

- Teachers and dancers wearing clothing depicting their school's name will not be allowed side-stage at major events in North America to interact with competitors once they are in line to compete and/or to greet dancers at the other side of the stage after their performance, if they are within the line-of-sight of the assessors. [IDTANA/2013].

Filming / Recording

- Use of video recorders, movie cameras, camcorders, and/or any camera/cell phone that is capable of taking videos will not be permitted during competitions, except for news media as approved by the NAIDC 2025 Committee. Further, no flash photography will be permitted during competitions, other than by the official photographer and live streaming service provider.
- Please note that by submitting an entry to the event, all entrants acknowledge their agreement to abide by the live streaming rules for the event, and thereby remove the IDTANA, the IDTANA-Mid-Atlantic Region, Inc., the NAIDC 2025 Committee, and its associates from any liability associated with the same.
- By entering the event, dancers have opted into participating in Live Streaming during competitions and at awards. There is no option to opt out as the Region has contracted for Live Streaming for the event in its totality.

Appeals

- Legitimate complaints must be submitted to the NAIDC 2025 Committee IN WRITING AND SIGNED within one hour of the alleged incident, by a CLRG registered individual.
- Such complaints must cite the specific rule(s) in dispute, include a brief summary of the incident, and be accompanied by a USD \$160 cash fee.
- If the appeal is upheld, the fee will be returned.

Decisions

- All decisions made by the NAIDC 2025 Committee and/or the assessors, in accordance with the rules for this event and all IDTANA rules, will be final.
- The IDTANA and the IDTANA Mid-Atlantic Region reserve the right to refuse admission to and remove persons from our events. The NAIDC is a private event.

[IDTANA/2010]
- At least 50% of the dancers in each team must be competing in their proper age group.

EVERY STEP TOWARD GREATNESS ***STARTS IN THE MIND.***

What separates the dancers who **hope** it goes well... from the ones who **make it** happen?

It's not talent. It's not luck. It's not how many rounds you drilled. It's your ability to stay clear, intentional, and grounded when it counts.
Not just once. **Consistently.**

**You already know where you want to go.
Let's train the mindset that gets you there –
ONE STEP AT A TIME.**

**One day I decided I was going to win
the Worlds. Not dreamt, hoped, or
wished. I decided.**

**Then I sat down with every
World Champ I could find and asked
how they did it. I looked for patterns
and paid attention to what they all did.**

**Then I just... did those things.
And it worked!**

**Now my greatest passion is passing that
knowledge on to any dancer that wants
to unlock their potential.**

**The one thing they all started with:
Mindset.**

Scott Doherty

World Champion & Mindset Coach

**Ever hear the general advice of not letting the nerves
get to you, or the need to control your emotions, but
don't know where to start? Mindset work helps you find
your unique HOW instead of hoping for the best.**

**My job is simple:
Help you quiet the noise in your head
so you can back to doing your job.**
